

# Key Facts and Figures

Rouge Valley Health System has two hospital campuses—Rouge Valley Ajax and Pickering (RVAP) in west Durham, and Rouge Valley Centenary (RVC) in east Toronto—and other supporting health sites, where our team of more than 500 physicians, 1,000 nurses and many other health professionals and staff provide the best health care experience for our patients and families. We also partner with hundreds of community groups and other health care organizations, including the Central East Local Health Integration Network (CE LHIN) and the Ministry of Health and Long-Term Care.
