

The Rouge Valley Health System Foundation's premier signature event, the **Rouge Planet gala**, will be held on Friday, March 26, 2010, and you are invited to be part of this *out of this world* event. The extraordinary Ontario Science Centre will provide the stylish venue for this "silver tie" evening, which includes a spectacular sit-down dinner, live entertainment, and a silent auction.

You can be a vital part of this stellar fundraising event by being an auction donor. Your generous support and participation will help ensure the continued and timely provision of excellent, comprehensive services by our Cardiac Care program. As the designated cardiac centre for east Toronto and west Durham, our Cardiac Care program is home to the most comprehensive range of cardiac services across the region, including diagnostics testing, coronary interventions, inpatient coronary care, cardiac rehabilitation, education and ongoing disease management.

As an auction donor, you will be able to promote your business to over 500 gala guests and volunteers while demonstrating your corporate social responsibility and your commitment to community healthcare in east Toronto and west Durham. The guests include leaders in medicine, business and politics.

With your help, Rouge Valley can make great contributions in support of heart health and patient care. Thank you for your consideration of this request. If we can be of any assistance, please do not hesitate to connect with us through Heather Montague at (905) 683-2320 Ext. 1501.

Kindest regards,

Filomena Hansraj
